Please notify the office of any change or cancellation of your plans, so the room can be made available for another event and so no one needs to be here to unlock and relock the building for you.

* Members: If you choose to do your own set-up/tear-down and janitorial services, you will be responsible for set up & tear down of all required tables and chairs. You will also be responsible for removing all trash, especially "food" trash, from the building to the dumpster located in the rear of building. Rooms are to be set up as needed for the next scheduled even per our facilities manager. Your cooperation will help keep the facility a wonderful tool for all to use.
